<b>Affected Product:</b>	Ensenso calibration pattern, 390 mm, grid 48 mm
<b>Document version</b>	1.0
<b>Type of Product Change:</b>	<input checked="" type="checkbox"/> Discontinued Product or Part
<b>Release Date:</b>	2024-06-07
<b>Date of change:</b>	

### Overview and scope

The accessory 390x390x3mm Ensenso calibration plates with 48mm dot patterns are discontinued and replaced to realize several improvements.

- The current printing process will be replaced by a more accurate method
- The substrate will be improved to be more rigid against deformation
- Additional markup will be included
